Reasons for Allowance

The following is an examiner's statement of reasons for allowance: For claims 3, 7, 9, 12, 13, 21, 24, 28, 31, and 37, the reasons for allowance are those as set forth in the Office Action of 5-4-05. For claim 1, it is the inclusion of the structure of the pivoting first and second mover links that cause the first and second legs to pivot inwardly relative to the first and second floor sections. The prior art of record fails to teach or suggest the claimed features absent the applicant's own disclosure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
